

MillerKnoll

Get more from your education budget

Think bigger with MillerKnoll Financial Solutions

Giving students and staff the environment and tools they need to fulfill their potential is top of mind at every educational institution. But so is the need to stick to your budget—a budget that seems to get tighter every year.

MillerKnoll Financial Solutions helps you get more from your budget with financing options that simplify financial planning, extend your buying power, and open new possibilities.

Flexible, affordable financing for furniture, technology, and more:

1. Simple one-page application
2. Flexible terms from 12 to 72 months
3. 100% financing that includes delivery, installation, and more
4. Simple asset management
5. Exceptional service and support from people who understand the needs of educators
6. Quick turnaround
7. Payment plans designed around your funds appropriation timeframes
